**REQUEST FOR CORRECTED OFFICE COMMUNICATION**

Sir:

In response to the Interview Summary dated June 20, 2006 (USPTO Paper No./Mail Date 20060616), Applicants respectfully submit that the Interview Summary has been issued in error, further submit that no response is required by Applicants regarding the substance of an Interview, and therefore request a corrected Office Communication in light of the following remarks:

1. Pursuant to Section 713.04 of the MPEP, a "complete written statement as to the substance of any face-to-face, video conference, electronic mail or telephone interview *with regard to the merits of an application* must be made of record in the application, whether or not an agreement with the examiner was reached at the interview." See 37 CFR 1.133(b), MPEP § 502.03 and § 713.01" (*emphasis added*).

Attorney Docket No.: 3269/8

2. In the Interview Summary, the Examiner asserts that, during a telephone conversation (on June 15, 2006), Applicant's attorney (Mr. Johanessen) requested an interview to discuss a final Office Action dated December 30, 2005 (USPTO Paper No./Mail Date 20051219). The Examiner further asserts that the interview request was *denied* by the Examiner.

3. Applicants would like to correct the record to reflect that the aforementioned telephone conversation was held between Examiner Kambiz Zand and Applicants' representative Kendrick P. Patterson (Reg. No. 45,321), and not with Mr. Johanessen. Nonetheless, Applicants would like to thank the Examiner for the courtesy of the aforementioned telephone conversation.

4. In the Interview Summary, the Examiner correctly notes that, during the aforementioned telephone conversation, a request was made for an interview, and that the Examiner, in fact, denied the request. As a result, no interview has occurred between the Examiner and the Applicants (or any representative of the Applicants).

5. As indicated by the Examiner in the Interview Summary, the aforementioned telephone conversation did not involve the merits of the application (including, e.g., any pending objections or rejections, the teachings of any applied documents, or the recitations of the pending claims).

6. Therefore, pursuant to the governing statutes, regulations, and guidelines, Applicants are not required to submit a written statement as to the substance of any interview since no interview has occurred. (See 37 CFR 1.133(b), MPEP §§ 502.03, 713.01, and 713.04).

7. Applicants respectfully submit that the Interview Summary has been issued in error, and respectfully request the Examiner to correct the PTO records accordingly.

Attorney Docket No.: 3269/8

8. Furthermore, Applicants respectfully submit that the Request for Continued Examination submitted under 37 CFR 1.114 (on June 29, 2006) and the associated Amendment and Reply submitted under 37 CFR 1.116 (on June 21, 2006) have properly traversed, accommodated, or rendered moot all pending grounds of objection, rejection, and/or requirements as to form.

Applicants therefore respectfully request reconsideration all presently outstanding objections and rejections and that they be withdrawn. Applicants believe that a full and complete reply has been made to all outstanding Office Actions and, as such, the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is kindly invited to telephone the undersigned at the number provided. Prompt and favorable consideration of this Application is respectfully requested. No fees or extensions of time should be required. However to avoid abandonment, the Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account No. 02-4270.

Date: July 20, 2006

Respectfully submitted,

By: Kendrick P. Patterson
